Metz
CULINARY MANAGEMENT
ENVIRONMENTAL SERVICES

Dear Parents and Guardians,

Welcome to dining services with Metz Culinary Management. We are proud to be the dining service provider at Wyoming Area School District and look forward to providing the highest level of service to your children this upcoming school year.

School meals are important to fuel healthy minds and bodies, and Metz Culinary Management strives to offer students favorites that are both delicious and nutritious. Our focus at Metz Culinary Management is on preparing fresh meals using proven cooking methods to create great-tasting meals that kids really enjoy while improving nutrition at the same time. We are proud of our school meals and look forward to providing our students with nutritious foods such as fresh fruits and vegetables, lean proteins, low-fat milk, and whole grains. Your student will receive a well-balanced meal that meets nutritional guidelines established by the USDA.

In order to ensure that the students of Wyoming Area School District are well fed and ready to learn, we are pleased to announce that all students will continue to receive 1 free breakfast and 1 free lunch per day under the Community Eligibility Provision for the upcoming school year.

In addition to 1 free breakfast and lunch meal per day, students will also have the option to purchase additional snacks and entrées that are Smart Snack approved.

We are proud of our relationship with Wyoming Area School District and are honored and proud to serve your children. Please feel free to contact me with any questions or concerns.

Sincerely,

Thomas Krulack
